I don't know where I'm going from here, but I promise it won't be boring. So said David Bowie. This Schön! online editorial shot by [Marc Tousignant](#) operates under that same ethos: we don't know what lies ahead, but you can be sure we'll be dressed for it. Model [Doug Payne](#) wears looks styled by [Carlos Davis](#), with hair by [Niko Weddle](#) and make up by [Soo Park](#).
